Use only the provided official Maisha Christmas Box. Before filling the box, securely seal the bottom with clear packing tape (not colored or masking tape). **Leave the top unsealed to pass inspection.** Do not wrap the Christmas box or the items inside.

2. WHO IS THE RECIPIENT OF THIS BOX?

The boxes are clearly marked into categories on both sides. Look for the green stamp which indicates for which group you are filling a box. 3. WHAT TO PUT IN THE BOX

This year we have included a list of items that you can put inside the box. ***Please put these items and only these items inside the box.*** This will help our boxes to pass through customs quickly of page.

4. TURN IN INFORMATION SHEET WITH BOX

Fill out the attached information sheet entirely and return with the box so we may properly record your donation and provide you with an in-kind receipt.
